Directions: Complete this form and submit it to the History Department office, Humanities 201, for review and approval. Attach the description for each course as it appears in the host university's General Catalog. Consult the "Transfer Credit: Report" in your MyUCSC Student Center to ensure that the transfer courses have been posted to your UCSC academic record. Please note that you may be asked to provide a course syllabus if supplemental information is need. You will be notified by your UCSC email address once your Transfer Course Approval Form has been reviewed.
