

**DEPARTMENT OF HISTORY  
POST-EAP COURSE APPROVAL FORM**

Guidelines for applying Education Abroad Program (EAP) courses to the history major or minor:

1. Meet with the History Undergraduate Director, Catherine Jones, during her office hours. Faculty office hours are published on the History Department website each quarter. Professor Jones' office is Stevenson College, room 272.
2. Bring the following materials with you to your meeting: your course materials (e.g., syllabi, reading lists, written assignments, lecture notes, etc.), this form, and a printout of your UCSC course history (found in your MyUCSC student portal) which shows your study abroad courses have posted to your UCSC student record.
3. After your meeting, return your approved form to the History Department main office, Humanities 1, room 201.

A maximum of three courses completed through EAP may be approved for use towards the history major or minor requirements. Only courses passed with the equivalent of a letter grade of C or better may be applied to the history major or minor requirements.
